SECRETc. Logistics Support Course - (continued item)

Seventeen (17) students have been enrolled for the Third Logistics Support Course commencing 10 May 1954. Seven (7) students are from the DL/P area, one (1) from the Medical Office, and nine (9) from the Logistics Office.

4. Transportation Divisiona. Vehicular Support - (continued item)

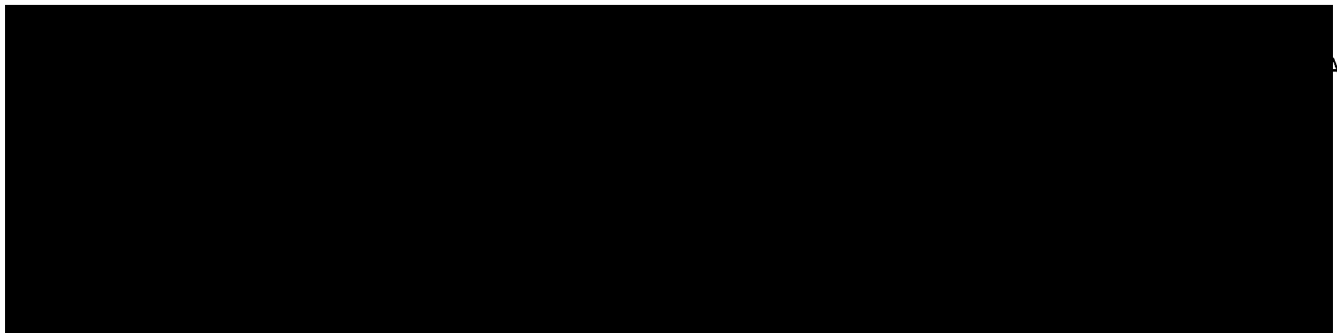

Office of the General Counsel has advised that the use of Government vehicles for the transportation of employees from their places of duty to a commercial terminal after normal business hours is not legally permissible. Accordingly, this service will be discontinued and an Agency notice in this connection is being prepared for issue.

5. Supply Divisiona. Depot - (continued item)

Work has been completed on the truck shed, dock, and paved outside storage area and has been accepted by the Agency. A contract has been awarded for the installation of lighting in the bin area.

b. Stock Nomenclature Cards - (new and completed item)

Federal Item Identification Numbers and Nomenclatures have been placed on IBM cards for approximately 22,800 items. IBM cards for these items have been reproduced for transmittal to the Okinawa Machine Records Unit for use in connection with stock status reporting.

6. Procurement Division

A5b1

7. Real Estate and Construction Divisiona. Construction - (continued item)

25X1A6a

A letter has been prepared requesting that additional funds in the amount of [redacted] be made available for the procurement of furnishings and other collateral equipment.

SECRET**CONFIDENTIAL**

8. Printing and Reproduction Division

a. Enlargement of Motion Picture Facilities - (new item)

Action has been initiated to enlarge the facilities of the Printing and Reproduction Plant in order to provide the capability of reproducing motion picture film, with both picture and sound portions. When completed, these facilities will eliminate the necessity of using outside commercial concerns for the duplication of motion picture film.
